December 13, 2023

Dear Congregational Members,

Over the past several months, the Mission Assessment Team (MAT) has been reviewing our Church's current ministries, data, and history, and we've sought to gain input and insight from our congregational members through surveys and ongoing dialogues. Based on this process of listening and discernment, the MAT has created a draft statement of "Principles and Values" which will be used to shape and define the upcoming Vision Statement, Mission Statement and Mission Action Plan for the Church.

We are excited to ask for your review, reflection and feedback on the draft Principles and Values. To ensure as much input as possible, we are seeking your input in two different ways:

1. We are both mailing and emailing a copy of the Principles and Values to all congregational members. Attached to the Principles and Values are four questions we hope will help guide and inspire your feedback.

We ask that you return your feedback either by returning a hard copy to the Church Office or emailing your feedback to [pres.first@gmail.com](mailto:pres.first@gmail.com). Alternatively, we have created an online version which you can access by clicking or visiting this link: <https://forms.gle/Gb2m3hKbSTc7DFxv7>.

2. At the 150<sup>th</sup> Anniversary Celebration on Sunday, December 31<sup>st</sup>, there will be a facilitated input session on the Principles and Values. We hope you will attend this wonderful celebration event and be ready to provide your feedback.

Finally, no matter how you provide your input, please ensure we receive your feedback no later than December 31<sup>st</sup>. To find all previous surveys and a copy of the Principles and Values, please visit <https://fpcsb.net/mission-assessment>.

We look forward to receiving your thoughts and insights!

Mission Assessment Team
